

Parking and Transportation Services (PATS)

April 17, 2017

UNM Parking & Transportation Services (PATS) is once again offering access to a pre-sale permit registration list, for returning resident students who have renewed their campus leases for the 2017-2018 academic year. Eligible students will be able to add their name to a pre-sale registration list for either an 'R' lot or 'S' (Lomas Structure) permit. The pre-sale registration list will be open for enrollment effective **Monday, April 24, 2017, at 8:00 a.m. through Friday, May 5, 2017 at 5:00 p.m.** Please follow the instructions below to add yourself to the pre-sale permit registration list.

- Go to <https://patsport.unm.edu/PATSPort/Account/Portal>
OR go to pats.unm.edu and click on "My Parking Account" in the left column of the page
- Click on "Add/Edit Waitlists-Waivers-Request Waivers"
- Sign in with your UNM NetID and password
- Click "Next"
- Verify the vehicles shown in your parking account. Update if necessary, and then click "Next" to get to the next page, "Add Waitlist Selections".
- Click on the "Add" button to the right of your preferred permit:
 - 2017 RRS-Campus Resident Permit is for an "R" zone permit
 - 2017 SRS-Campus Resident Permit is for an "S" Lomas structure permit
 - Click "Done" when you have completed your selection.
 - Be sure to verify your contact information by clicking on "Home" and selecting "Manage Your Mailing Address," "Manager Your Email Address," and "Edit Phone List." Review and make any necessary changes before logging out.

The permit prices for the upcoming year will be: **\$325 for an 'R' permit and \$499 for an 'S' (Lomas parking structure) permit.** Eligible returning resident student who are on the pre-sale registration list will be able to purchase their 'R' or 'S' permit starting 7:30 a.m., Tuesday, July 25, 2017. Resident students not on the pre-sale registration list will be able to purchase permits starting 7:30 a.m., Thursday, July 27, 2017.

Please be aware that adding your name to the pre-sale registration list DOES NOT guarantee a permit for the 2016-2017 academic year. Permits are sold on a first-come, first-serve basis and tend to sell out quickly. If you do not purchase your permit when it becomes available for purchase your preference may no longer be available, in which case you may need to purchase a permit for a different lot/zone and/or add yourself to the R or S wait list. **Please Note: In order to be eligible for the returning resident student pre-sale registration, you must have renewed your housing lease within the renewal period and enrolled in the pre-sale registration list before 5pm on Friday, May 5, 2017.**

NOTE: All resident permits – R and S permits - are delivered directly to UNM PATS and will be available to pick up at the Student Residence Center (SRC) during the week of fall move-in. (You will need your Lobo ID to claim your permit).
