

## ARRIVAL INSTRUCTIONS

Your date of arrival is fast approaching. Here are some simple guidelines that will help you navigate your arrival in Albuquerque and your check in at UNM Housing.

- UNM Central Campus, home of UNM Housing, is located about 10 minutes from the airport on Central Avenue between Girard Blvd. and University Blvd.
- Find the gray puzzle-piece-looking building marked #89 in section O-15 on the central campus map and that is us!
- From the airport, you can take a cab pretty inexpensively, or catch a shuttle if it is running. The shuttle drops pretty far from our desk, so be prepared.
- If you take a cab, tell them to bring you to the roundabout on Redondo Road or to the A Lot by the tennis courts. Once there, find the Student Residence Center, building #89. Our 24-hour desk is just inside.
- You will check in at the Student Residence Center (SRC) Commons front desk. The desk is open 24/7 and can accommodate an early or a late check-in.
- Once you have arrived at the SRC Front Desk, tell them that you are an intern or a short-term housing guest and they will call someone to check you in. You will need a valid Drivers License or ID to check in.
- Are you driving to Albuquerque? On Saturday and Sunday, parking is not regulated in the "A" lot just behind building #89 (in section O-15 on the campus map) on the campus map. If you have pre-purchased your parking permits, they will be in your check-in packets for you to use. Parking regulation begins on Monday at 8:00 am.
- On weekdays, parking is regulated on all campus lots. You will need to find a metered space and pay with a credit card for about an hour. This will be enough time for you to find us, get checked in, and to be shown to your apartment. Metered parking is available in the D lot just south of building #153 (section P-14 on the campus map) or on Redondo Road between Redondo Court and Campus Blvd. (section P-15 on the campus map)
- If you have chosen to wait to purchase your parking permits, the Parking and Transportation Office is open M-F 7:30 am to 5:00 pm. You can purchase your permits during those hours.
- Once you have completed the paperwork at the desk, you will be given a small packet of information and the keys to your room/apartment. A community resource Directory will be located in each apartment. You should definitely take the time to read this!
- Now you are ready to move in!
- Can't find us? Call 505-277-2606 and we will give you directions from your location.
