MESSAGE FROM THE DIRECTOR

Dear Resident Lobos:

On behalf of The University of New Mexico and Residence Life and Student Housing, I want to welcome you to the UNM Residence Halls. We truly believe that living with us can be a great experience that not only supports our resident’s academic pursuits but is an extension of the University’s academic mission. In addition to providing a comfortable, pleasant physical environment, we believe that education, personal growth and development occur outside the classroom and we will be purposeful in providing a variety of programs to support this aspect.

We also value having a positive sense of community. By choosing to live in the residence halls, you will be residing in a community with many others. This is an outstanding opportunity to experience the wide range of humanity. Please actively engage this opportunity to meet, explore, learn and embrace differences in those around you. Our residence hall student staff and Community Associations will plan programs to help develop a sense of community within floors, buildings and the entire residence hall system.

We have a dedicated staff of student and full-time employees to help the University deliver this experience through our mission statement and values listed in this handbook. On behalf of the staff, I do wish all our residents all the best in their academic and personal development.

Wayne Sullivan, Director

### MISSION & VALUES

#### OUR MISSION

To foster inclusive, community-based living environments consciously designed for our residents’ personal growth and academic success in well-maintained facilities.

#### OUR VALUES

##### Quality

Through continuous evaluation and student feedback, UNM Residence Life and Student Housing seeks to meet a high standard of excellence within our facilities, services and processes.

##### Caring

UNM Residence Life and Student Housing strives to create an environment of success for every individual resident. All of our student and full-time staff are highly trained and compassionate individuals who help residents connect to campus resources, personalize their housing experience, and achieve personal and academic goals.

##### Learning

The UNM residence halls are an extension of the collegiate academic environment. We believe that by living on campus, residents have the opportunity to learn and grow beyond the classroom. The programs, activities, and initiatives within our residence halls aim to develop residents into well-rounded individuals.

##### Community

UNM Residence Life and Student Housing embraces the idea that communities are comprised of diverse individuals from all walks of life. We nurture healthy, thriving communities that help residents feel connected to each other, as well as the institution. Residents are encouraged to participate as active and engaged citizens within their living areas.
RESIDENCE LIFE & STUDENT HOUSING STAFF

RESIDENT ADVISOR (RA)
Your RA will help you have a great experience living on campus. Carefully selected and well trained, RAs are student staff that are assigned to every living area and will develop a positive community, plan events and activities, and be available as a resource. In addition, they help with residence hall administrative work, follow up on community standards and policies, and help with residence hall emergencies.

Get to know your RA and be sure to ask any questions you have about living on campus! There is also an RA On-Call for each community from 7PM to 7AM on weekdays and 24 hours on the weekend. The phone number for the RA On-Call will be posted in your community and can be found at the end of this handbook.

The RA staff is the first point of contact for residents for any part of living on-campus. Our RAs receive extensive training and if they don’t have the answer to your question, they will be able to connect you with someone who does.

COMMUNITY DEVELOPMENT ASSISTANT (CDA)
Community Development Assistants are student staff members that work with the Community Associations and RAs to provide community building opportunities at the building level of each community. CDAs are a great resource for residents looking to get more involved and hall-wide events, so if you have an idea you’d like to see put into play, seek them out!

STUDENT HALL COORDINATOR
Student Hall Coordinators are upper level students who work closely with the Area Coordinators and Resident Education Professional Staff to assist with managing the residential communities.

STUDENT SAFETY AND SECURITY STAFF
These student staff members patrol residence hall facilities and adjacent areas. They ensure that entrance doors are locked, report suspicious non-resident behavior to Campus Police, check residence hall parking lots, etc. These staff members will always wear blue polo uniforms and an official Safety Staff photo ID badge.

HOURLY STUDENT STAFF
The hourly student staff is comprised of the Desk Staff, Cellar Attendants, and Mail Room Attendants. Desk Staff are student staff members who operate the front desks of the SRC, LoboRainforest, and Student Family Housing. They are responsible for customer service, including checking out building equipment (e.g. vacuum cleaners). Cellar Attendants operate and maintain the Cellar game room during open hours. Mail Room Attendants work in the central mail room and assist students by assigning mailboxes and distributing packages. At LoboRainforest, the Desk Attendants also provide mailroom functions. RLSH has openings throughout the year for the many hourly positions (and more) listed here. Check for postings by searching student positions at UNMjobs.unm.edu.

RESIDENT EDUCATION PROFESSIONAL STAFF
The Resident Education Professional Staff team is comprised of Hall and Area Coordinators, and works with the Assistant Director for Residence Life. The Resident Education Professional Staff are full-time live-in professionals who are dedicated to creating welcoming and inclusive communities within the residence halls. Collectively the Hall and Area Coordinators are referred to as Building Coordinators. When you see or hear that reference, please note you should find the Hall or Area Coordinator for your specific community.

Hall Coordinator (HC)
Hall Coordinators are professional staff members who have completed at least a Bachelor’s degree. HCs are the second point of contact for residents, after the RA staff. Hall Coordinators are responsible for developing an educational environment within their building, working with residents on issues and concerns, serving as conduct hearing officers for residence hall students, and promoting the ongoing academic success of residents.
Area Coordinator (AC)
Area Coordinators are professional staff members who have at least two years of full-time experience working in residence halls. Our Area Coordinators are responsible for a larger community and supervise the professional and student Hall Coordinators in their area of assignment. Should you need anything and your Hall Coordinator is not available, reaching out to the Area Coordinator for your community is the next best step.

FACILITIES STAFF
Comprised of custodial and maintenance staff members, our facilities department works to support to overall well-being and maintenance of our residence halls.

Custodial Staff
Custodians are assigned to each building and are responsible for cleaning common areas including laundry rooms, lounges, hallways, bathrooms, and study rooms. They are not responsible for cleaning your room. Each custodian wears a uniform that identifies them as an employee.

Maintenance Staff
Our maintenance staff is comprised of painters, carpenters, and electricians who work in all buildings as required. Staff members wear uniforms with the UNM logo and their name that identifies them as an employee.

RESIDENCE LIFE & STUDENT HOUSING ADMINISTRATION
Led by the Director of Residence Life and Student Housing, the administrative team is responsible for the overall operation and implementation of the mission and values to ensure that the residential experience is the best possible. RLSH’s administrative team is made up of the Director, Assistant Director of Residence Life, Assistant Director for Business Operations, and the Assistant Director of Facilities Operations.

COMMUNITY ORGANIZATIONS

COMMUNITY ASSOCIATION (CA)
The CA is an active student organization in each hall. CA plays a key role to create a sense of community in each building. As a resident one of the easiest and most influential ways to get involved is to be an active member of your Community Association. Simply by living in your building, you’re automatically a member, but you can also get involved by running for an executive board position. Either way, being involved in your CA is one of the best ways to get involved in your residence hall.

RESIDENCE HALL ASSOCIATION (RHA)
RHA is the student-led governing association for students living on campus at UNM. All residents who live on campus are members of the RHA and are encouraged to be actively involved in the RHA. This association serves as a voice for residents to communicate with the administration and provides a forum for feedback. It offers an opportunity to develop leadership skills and experience. RHA also hosts a variety of activities to participate in throughout the year.

NATIONAL RESIDENCE HALL HONORARY (NRHH)
The NRHH is a national student leadership organization. UNM’s chapter is the Cherry & Silver Chapter which is comprised of the top 1% of students living on campus who exemplify excellence in academics, leadership, service, and recognition.

ECO REPS
EcoReps are students who live in the residence halls interested in promoting sustainable practices. The EcoReps provide programming for the general residential community related to energy efficiency, recycling, and waste reduction.

EcoReps also support our Resident Lobo Reclaim, a project designed to redistribute gently used items back into the hands of our residents. Reclaim donation bins will be available at the end of the fall and spring semesters to collect items from residents; those items are then available at the sale in the fall for a fraction of the cost of buying new.
ADVOCATE GROUPS
Based around areas of need identified within the residence halls, various advocate groups are formed from members of the residence hall community committed to promoting that particular area within our residence hall community. Advocate groups typically provide educational and service opportunities, as well as awareness efforts and programming around their particular topic or issue. All residents are welcomed and encouraged to join. Advocate groups and how to get involved will be announced at the beginning of the year during your Community Association meetings.

SERVICES AND AMENITIES

STREAMING SERVICE
XFINITY On Campus™ is an IPTV streaming service offered by Comcast for UNM residents as their on-campus TV service solution. Residents can stream live TV and thousands of XFINITY On Demand™ shows and movies directly to their laptops, desktops, and mobile devices, including Apple, Android, and Kindle, all while connected to their campus network. XFINITY On Campus™ is designed exclusively for residents and is included as part of the resident’s housing fees. Residents may add on additional premium channels or sports packages using a month-to-month, no-contract based subscription. For more information, go to https://xfinityoncampus.com

COMPUTER ACCESS
Main campus
All residence hall rooms have high-speed direct connection to the Internet via the university network. In addition, residence hall and public areas, such as La Posada, have limited wireless connectivity. A central residence hall computer pod is located in the SRC Commons and provides exclusive service to residence hall students. There are possible financial and disciplinary consequences for residents violating copyright laws, including illegally downloading music and movies using the university network.

Student Family Housing
All apartments at SFH have high-speed direct connection to the internet via the university network. UNM will provide all residents with a Wifi Router and modem which are set to specific university standards. These modems may not be tampered with and residents are not allowed to have personal routers or modems in addition to the university provided equipment.

EQUIPMENT RENTAL
As a resident, you may have access to check out equipment (i.e. DVDs, pots & pans, vacuums, cooking equipment, board games, etc.) from a service area desk between 1 and 24 hours (depending on the item) and then return it to the front desk. If the item is badly damaged and/or deemed unusable, you will be charged for the replacement of the item.

KITCHEN FACILITIES
Santa Clara, Alvarado, Hokona and Coronado have kitchenettes with a stove, microwave and sink. Laguna DeVargas has a full kitchen in the basement. SRC Apartments, Redondo Village Apartments, Student Family Housing, and LoboRainforest have full kitchens in each apartment. Residents are expected to keep the community kitchen clean and in proper working order.

LAUNDRY
Washers and dryers are available within each residential building and/or complex and are free for the residents of that community. The washer and dryer expense is included in your semester housing charges; however, you must provide your own high efficiency detergent. Since the costs are included in your room rate, please do not allow people from outside the community to use the laundry facilities. Please report any issues with washers and dryers via the RLSH work order system or by contacting your area desk.

MAIL
Main Campus
Mail is distributed through the central mail room facility located behind the 24-Hour Help Desk in the Student Residence Center (SRC) Commons. Mail is generally posted by 2PM. Specific mail room operating hours are posted in the SRC Commons. Parcel Post, UPS, insured mail, etc. must be signed for by the student when their items
are picked up at the mail room. For security reasons, do not use the mailbox as a temporary storage space for valuables or room keys. SRC mailboxes are an important mode of resident-bound communications for Residence Life and Student Housing and other university departments. Accordingly, it is an expectation that residents will pick up their mailbox key and check their boxes for communications regularly.

**LoboRAINFOREST**

Mail is distributed through mailboxes located behind the Lobo Rainforest Desk in the lobby. Mail is generally posted by 4 pm. Parcel Post, UPS, insured mail, etc. must be signed for by the student at the Lobo Rainforest Desk. Residents will receive an email to their UNM email address when they have a package ready for pick up. For security reasons, do not use the mailbox as a temporary storage space for valuables or room keys. Residents will be issued a key for their mailbox upon check-in.

**Student Family Housing**

Mail will be delivered to the residents’ mailboxes located in the breezeway of J- building. Special delivery mail and packages will be placed in the parcel boxes or held at the United States Postal Office located at 2100 George Rd. SE (505-346-0923). Residents will be notified by a slip or key left in the mailbox.

To aid in the delivery of the mail, the Post Office insists that boxes be labeled with the residents’ name in the appropriate slot. Residents may obtain mailbox instructions from the SFH Office.

**MAINTENANCE AND HOUSEKEEPING WORK ORDERS**

As a resident, you can place a work order to address facility issues that arise throughout the year. You can place a work order by calling 505-27QUICK (277-8425) during normal business hours, or by placing the work order on-line at housing.unm.edu 24 hours a day.

For any emergencies outside of regular business hours, you should contact an RA or the SRC 24-Hour Service Desk at 505.277.2606.

**PARKING**

**Main Campus & LoboRainforest**

Residence Life and Student Housing and UNM Parking and Transportation Services (PATS) work together to manage residence hall parking. All students wishing to park in the lots near the residence halls on main campus or at LoboRainforest must purchase a parking permit through PATS. Students who vacate the residence halls before the conclusion of the academic session are required to turn in their parking permits. Submitting fraudulent information or failing to turn in parking permits may result in a $100 fine.

**Student Family Housing**

Every vehicle and motorcycle/moped parked at SFH must be registered with the SFH Office and a parking permit issued. The vehicle parking permit should be displayed at all times.

Parking is provided for up to two vehicles per apartment, and must be parked in designated parking spaces and lots. Please make sure that handicapped parking spots are only used if you have a handicapped permit. Residents can be ticketed for up to $250 for illegally parking in these spots.

Additional parking spaces, located in the south-central parking lot are available for a limited number of temporary guests. If you have a guest who will be parking their car in the area for a period longer than 24 hours, the SFH Office should be informed. Residents can obtain visitor parking permits for their guests in these cases.

Vehicles with temporary license plates need to be registered with the SFH office prior to being parked in any lot other than the SFH Visitors lot.

**PERSONAL PROPERTY INSURANCE**

You are highly encouraged to carry personal property insurance to protect yourself in the case of theft, fire, flooding, etc. The University is not responsible for loss of or damage to, the personal property of the student from any cause, nor will the University assume responsibility while the student is a resident.
RECYCLING
UNM is dedicated to providing recycling throughout all of the residence halls. On Main Campus, recycling bins are provided in each room/apartment, made available through a grant from our Eco Reps! For all our campuses, there are recycling locations within the buildings and around the exteriors of buildings for small items like single soda bottles, as well as large containers near the building trash bins for larger quantities of recycling.

TELEPHONE SERVICE
Main campus
An active local telephone line is not provided in your room. If you would like to have a phone line activated, please submit a work order. You will be responsible for the charges associated with a phone line in your room.

Student Family Housing
Telephone outlets are provided in each apartment. For service, residents must make application directly with an outside vendor. The costs of the installation deposit, service, and the monthly charges are the resident’s responsibility. SFH maintenance does not install or repair any telephone problems.

USE OF FACILITIES BY OUTSIDE GROUPS
Use of residence hall facilities by outside groups (non-RLSH groups) must be authorized by the Residence Life and Student Housing office. Facilities may not be used by outside groups or individuals without this authorization. Persons violating this policy will be asked to leave and will forfeit reservation privileges.

VENDING
Throughout the residence halls there are a variety of vending machines with a wide assortment of products. Refund information is listed on each machine. Misuse or vandalism of the machines can result in a hall-wide damage charge.

COMMUNITY AREAS
The Cellar @ Hokona MAIN CAMPUS
The basement of Hokona Hall contains a student recreation area known as The Cellar. Features of this area include a game room area with pool tables, foosball, ping pong, a dance floor, and movie area with a wide-screen television. The Cellar is used by students for recreational activities and structured residence hall programming events. The Cellar is available to all residents Sunday-Thursday from 7PM to 11PM and Friday-Saturday from 7PM to 12AM.

SRC Commons MAIN CAMPUS
The SRC Commons is a multi-purpose gathering space that all residents can utilize. Located within the commons are resident mailboxes, the 24-Hour Help Desk, 24-hour computer pod, a small convenience store, study areas, and the administrative offices of RLSH.

Lower Johnson MAIN CAMPUS
Lower Johnson is an outdoor recreation area located across from Coronado Hall. Lower Johnson has volleyball and basketball courts that can be reserved by Community Associations and Resident Advisors for large programs or simply enjoyed by residents on a daily basis.

Workout Room LOBORAINFOREST
The Lobo Rainforest workout room is located on the second floor. Residents can enjoy the cardio machines or lift free weights. The workout room includes a water bottle refill station and gender inclusive restroom.

Patio & Courtyard LOBORAINFOREST
The patio and courtyard are two areas where residents can get some fresh air. These areas have bike racks and a deck with tables and chairs. These areas also feature access-controlled gates.

Community Center & Patio STUDENT FAMILY HOUSING
There are two areas that residents may reserve for events. Residents need to contact the SFH Office at least 14 days in advance of the desired event date to fill out the reservation form. It will be approved within 5 days by the Area Coordinator. Residents agree to follow rules and
procedures for using these areas and understand that failure to comply with the rules outlined in forms there may result in being denied future use of the area and/or charges being accessed.

Playground & Sandbox  

**STUDENT FAMILY HOUSING**

Student Family Housing has playground areas available for age-appropriate children living at SFH. Animals are not permitted to be on or in the playground areas. Residents agree to follow rules and procedures for using these areas and understand that failure to comply with the rules outlined in forms there may result in being denied future use of the area and/or charges being accessed.

Garden Plots  

**STUDENT FAMILY HOUSING**

Residents are permitted to plant flowers in the small patio planter areas of their unit. There are central garden areas located within the fenced areas. They are located behind buildings “E” and “M” between “F” and “L.” These garden areas are for the residents’ use and garden plots will be allotted in March. Residents assigned a garden plot are asked to plant only in the plot that they were assigned. Walk ways are not to be planted in. Please make sure that you are respectful of your neighbors’ garden areas and parents are responsible for their children in the garden.

**HOUSING CONTRACT ITEMS**

There are many important provisions of the UNM Housing Contract & License Agreement you signed to live in Residence Life. You, as a resident, agree to abide by certain conditions concerning policies, procedures, payment dates, refunds, and contract terminations. In the same way, the RLSH office agrees to provide you with shelter and an environment that will be conducive to your academic and personal development.

**STUDENT HOUSING DASHBOARD**

RLSH uses Residence by Symplicity to manage many components of your residential data. All residents have access to their housing dashboard at https://unm-residence.symplicity.com by logging in with your UNM NetID and password. All references to your Housing Dashboard are referring to this website.

The License Agreement signed at the time of your registration for campus housing is available for download on your dashboard. We highly recommend downloading a copy of that contract for your records.

**ELIGIBILITY**

Residents must maintain certain standards to remain eligible for campus housing:

**Course Load**

All residents, regardless of housing area, must be registered for a minimum of six credit hours in a degree granting program. The course load requirement may be waived in certain circumstances, for example, for a student in their last semester that needs fewer than six (6) hours to complete their studies, or graduate students working on their thesis/dissertation. Residents seeking a waiver should contact their building coordinator.

**Student Family Housing: Household Members**

The purpose of Student Family Housing is to support students who have dependent household members in their pursuit of a degree. Students who meet the following conditions are eligible to live at SFH:

- Married couple with/without children
- Single parents with children
- Domestic partners with/without children
- Dependent family members
- Approved exceptions by the Director of Residence Life and Student Housing or designee

Family status changes may change your eligibility for Student Family Housing. Based on space availability, single graduate or single non-traditional undergraduate students may be granted housing at SFH. These requests will be granted after all families have been placed.

**Student Family Housing: Occupancy Limits**

**Duration Of Stay**

No student may live in Student Family Housing for more than six years.
except in case of extraordinary circumstances and upon prior written approval of Director of Residence Life and Student Housing or designee.

**Household Size**
Limits of persons living in apartment units must be observed for safety reasons. A one bedroom apartment may not have more than 3 occupants; two bedroom may not have more than 5 occupants; three bedroom may not have more than 7 occupants.

**ROOM/APARTMENT CONDITION REPORT**
A Room/Apartment Condition Report records any damage, markings, or missing items within a room or apartment and is kept on file electronically for each resident. You are responsible for verifying the condition of each item recorded and listing any disagreements or discrepancies within 48 hours of checking in. You are responsible for maintaining your room in the same condition. Your room will be rechecked for damage, markings, or missing items at the time of check-out. Any discrepancies may result in charges.

As soon as you check in to your assignment, you will get an email with instructions on how to complete your Room Condition Report within your housing dashboard. All room/apartment condition reports are completed electronically, in the interest of sustainability.

**RESIDENCE HALL/APARTMENT CHECK-OUT**
At the end of the contract term for your living area, you must vacate your room/apartment. You can either complete an in person checkout with your RA, or you can elect to complete an Express Check-Out. Regardless of the check-out process you opt into, you are expected to vacate your room/apartment within 24 hours after your last exam and/or from the time you formally withdraw from UNM.

To fully complete a check out, you will:
- Set up a check-out time with your RA at least 24 hours in advance if choosing an in-person check out OR collect an Express Check Out packet from your RA or Hall Coordinator.
- Remove all your belongings from your room.
- Clean your room, bathroom, and kitchen, including cabinets and

---

**IMPORTANT CONTRACT DATES 2019-2020**

**FALL 2019**
- August 27: Fall room change requests due
- Aug 29 - Sept 2: Fall room changes occur
- November 15: Contract cancellation requests due; Spring option room change requests due
- December 10: Winter Intersession housing application due
- December 14: Traditional Halls close for winter break; All residents must vacate by 2 pm. Winter Intersession residents move from traditional halls to apartments.

**SPRING 2020**
- January 15: Winter Intersession residents return to their traditional hall rooms
- January 16: Traditional Halls re-open
- January 28: Spring room change requests due
- January 30 - Feb 2: Spring room changes occur; Changes must be completed by February 2
- April 24: Satellite Summer Contract/ Release Requests Due
- May 12: Summer housing application due
- May 16: All halls close: Main Campus Contract ends; Residents must vacate by 2 pm
- May 17: 13-Week summer residents move to summer assignments

**PLEASE VISIT YOUR HOUSING DASHBOARD TO COMPLETE ANY PROCESSES LISTED HERE BY THE APPROPRIATE DATE.**
An assignment change must submit a Room Change Request application online from your Housing Dashboard. Approval for room changes is based on space availability and are prioritized based on application submission date.

Any assignment change requests which occur outside the designated window at the beginning of the semester will be evaluated on a case by case basis. Requests resulting from roommate conflicts will likely not be considered until a roommate mediation has been completed and a genuine attempt has been made toward resolution.

Residence Life and Student Housing reserves the right to reassign residents whenever such action benefits the community or is necessary for any facility or maintenance related needs.

**Room Preparation for a Roommate**

If you do not have an assigned roommate and are in a designated double, the unoccupied space must be move-in ready at all times. Failure to maintain the room in a roommate ready status will result in an immediate transition in room type and an increased charge for the room which will be charged via the Bursar’s account.

**Space Management**

UNM Residence Life and Student Housing manages double room occupancy from a philosophy that residents that have been assigned to a double room without a roommate or have lost a roommate during the semester should be provided choices regarding their occupancy. Double room occupants who find themselves without a roommate may be offered following options:

1. Secure another roommate and move in with that person or have that person move in with you within 15 days of the conclusion of the general room change period or within 15 days of the date your roommate moves out, whichever situation is applicable.
2. Elect the double as a single option. This option, contingent on available space, permits you to retain your double room on a single basis. Charges for doubles as singles will be outlined if this option is available.

**Area Meetings**

RAs conduct community meetings to help communicate important events or issues. These meetings are very important for all residents of the floor or hall. Attendance at the floor meetings is mandatory, if you can’t attend, you must talk to your RA about the information you missed.

**Assignment Changes**

You may not change rooms without proper authorization Residence Life & Student Housing.

Generally, assignment changes are only granted during a designated window of time during the beginning of the semester. Residents desiring...
3. Accept assignment by the Residence Life and Student Housing Office to another room/hall.

Students who are permitted to stay in their room at the double occupancy price without a roommate must keep their room ready for a roommate at all times, as previously described.

**WINTER INTERSESSION HOUSING  MAIN CAMPUS**

Housing accommodations are available to current University of New Mexico residents over the winter break. Students will be required to move in and out of the intersession housing on specific dates, and exceptions cannot be made to move at different times. Winter intersession housing information and housing applications are available on the Residence Life and Student Housing website and within your Housing Dashboard beginning in October of each year.

**SUMMER SCHOOL HOUSING**

Housing accommodations are available to University of New Mexico students enrolled in classes during the summer months or for those who are enrolled in fall semester courses and have renewed their housing contract.

Summer school housing information and housing applications are available on the Residence Life and Student Housing website and within your Housing Dashboard beginning in March of each year.

**CONTRACT RELEASE & DAMAGE APPEALS**

Contract releases (termination of the contract after the start date) must be completed with a Hall Coordinator. Please refer to the License Agreement for information on charges related to Contract Releases.

Students may have the right to appeal certain charges that occur as a result of canceling a housing contract or damage charges assessed upon check-out. To learn more about filing an appeal, please contact the RLSH Manager’s suite at rlshmgmt@unm.edu, 505.277.2383 or visit the office in the SRC Commons, Suite 212.

**ADA ACCOMMODATIONS**
COMMUNITY STANDARDS

By choosing to live on campus, you are electing to reside in an academic community. As a member of this community, you have rights as a resident and as a student. Please also recognize that other members of the community have the same rights, and your rights should not infringe upon those of another. You are responsible and accountable for your behavior and for the choices you make as a member of the residence hall community. You may not engage in behaviors that are illegal or could endanger yourself or others in the community. For residents at SFH, household members are held to the same standards as the resident of record.

Community Standards are established to assist in shaping this environment, to protect your rights, and to define your responsibilities to others. In addition to these Standards, as a resident you are expected to abide by all local, state, and federal laws, as well as the UNM Student Code of Conduct. The UNM Student Code of Conduct applies within all residential areas and should there be any discrepancy between the Student Code of Conduct and this Handbook, the Student Code of Conduct takes precedence. You can access the Student Code of Conduct as well as other campus policies at pathfinder.unm.edu.

Responsibility for a violation of a Community Standard is determined on a standard of “preponderance of evidence.” Preponderance of evidence can be explained as whether it is more probable than not that the violation occurred, as concluded by a reasonable interpretation of available facts and relevant information. You may be referred to the Dean of Students Office for alleged violations of the Student Code of Conduct, repeated violations of the Community Standards, or for not completing sanctions resulting from a finding of responsibility.

The Community Standards are developed from three overarching elements we believe are necessary for successful community living. Those are:

• Clery Act Violations
• Respect and Value of Others
• Safety and Facility Upkeep

As a resident, if you are involved in the violation of any of the Community Standards, you will need to participate in the Residence Hall Conduct Process. This process is educational in nature, and is outlined in further detail later on.

It is important to note that violation of any of the Community Standards is grounds for the imposition of sanctions, which may include the termination of your housing contract and/or referral to the Dean of Students Office for action under the UNM Student Code of Conduct.

1. CLERY ACT VIOLATIONS

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations. Disclosures about crime statistics and summaries of security policies are made once a year in an Annual Security Report (ASR), and information about specific crimes and emergencies is made publicly available on an ongoing basis throughout the year. To find more about UNM’s disclosures, visit police.unm.edu or campussafety.unm.edu. Most members of the Resident Education professional and student staff are considered Campus Security Authorities (CSAs). CSAs are required to complete an annual training and report any violations of policies which are included within the Clery Act. For more information about the responsibility of a CSA, please speak with a member of the Resident Education professional staff.

Alcohol

In accordance with UNM Administrative Policy 2140, the use and possession of alcohol is prohibited on University property, including the residence halls on Main Campus.

For students who are 21+ and residing at Lobo Rainforest or Student Family Housing, you may possess and consume alcohol in your assigned living space, provided that all persons present are 21+. Alcohol may only be consumed in the presence of persons who are under 21 if that person is your roommate (RF) or registered household member (SFH).
Alcohol may not be consumed in any common or public areas of the building/complex. Large volume containers and devices used for the rapid consumption of alcohol are prohibited. No person 21+ may provide alcohol for or contribute to the consumption of alcohol for persons under 21.

**Alcohol Possession and Distribution**
The following constitute possession of alcohol:
- The physical presence of alcoholic beverages in your assigned residence hall room/apartment.
- Holding or transporting an alcoholic beverage on University premises.
- Presence of any student in any room, building, or facility on University premises where alcoholic beverage(s) are available.
- Selling, producing, or providing alcoholic beverages to another student on University or University related premises.
- The consumption of any amount of alcohol within the residence hall area.

**Alcoholic Beverage Containers**

You may not possess or use alcoholic beverage containers (cans, bottles, boxes, kegs, etc.) for any purpose in your room, regardless of your age. This includes beer bongs, shot glasses, or other devices used to consume alcohol, regardless of whether they currently contain alcohol.

**Alcohol & Other Drug Misconduct**

Disruptive or disorderly conduct caused by the influence of alcohol and/or other drugs is prohibited within the residence halls. Students who cause disruption within the residence halls due to the consumption of alcohol and/or other drugs may be charged with violating the alcohol and/or drug policies.

**Bias-Related Incidents and Hate Crimes**

**Bias-Related Incidents**

Bias is a preformed negative opinion or attitude toward a group or persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin. Bias-related incidents include, but are not limited to, non-threatening name calling and using degrading language or slurs directed toward a person because of actual or perceived membership in a particular group.

**Hate Crimes**

A hate crime is a criminal offense committed against a person or property which is motivated, in whole or in part, by the offender’s bias regarding a person’s race, gender, gender identity, religion, sexual orientation, ethnicity, national origin, or disability.

**Drugs and Paraphernalia**

You may not possess, use, sell, or otherwise distribute any illegal drug or controlled substance in or around the residence halls/apartments. You may not use any prescribed drug in a manner that is inconsistent with the prescription, nor may you distribute your prescribed drug to others.

Drug possession may include:
- The physical presence of drugs in your assigned residence hall room
- Holding or transporting drugs on university premises
- Your presence in any room or area on university premises where drugs are available
- Purchasing or procuring drugs and subsequently selling, giving, or furnishing drugs to another person in or/and around your residence hall
- Physical presence of drug paraphernalia with or without drug residue on you, your guest, your belongings, or in your assigned room
- Growing or making drugs
- Seeds
- Odor or scent of marijuana
- Being under the influence of drugs

**Larceny/Theft**

Larceny/Theft is the unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Constructive possession is the condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing.

**Intimidation**
Intimidation is to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

To be the victim of intimidation, you don’t have to be the intended target of the offender. For example, a person who reports seeing anti-gay threats on a bathroom wall is considered a victim. Intimidation also includes cyber intimidation if the victim is threatened via computer.

**Weapons**
The University of New Mexico is a weapon-free campus. Use, possession or storage of any weapon on University premises or at University-sponsored activities, unless expressly authorized in writing by the President. Weapon includes, but is not limited to, firearms, ammunition, bombs, explosives, incendiary devices, or other dangerous weapons, substances or materials. For a full understanding of UNM’s weapons policy, please visit policy.unm.edu.

**Vandalism/Destruction/Damage**
Destruction/Damage/Vandalism of Property is to willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

**2. RESPECT AND VALUE FOR OTHERS**

**Businesses**
Operation of any sort of business, legitimate or otherwise, out of your residence hall/apartment room is prohibited. This includes, but is not limited to, internet sales and/or the sale of cosmetics, magazines, cookware, etc.

Operation of any sort of online or in-person business, legitimate or otherwise, out of your residence hall/apartment room is prohibited. This includes, but is not limited to, internet sales and/or the sale of cosmetics, magazines, cookware, etc.

At Student Family Housing the operation of a childcare service from your apartment is strictly prohibited.

**Child Supervision & Safety**
Parents/guardians are the sole person responsible for their children’s safety. The student of record will be held accountable for the actions of other family members, including dependent children.

Parents should not leave their young children at home or outside without adult supervision. City of Albuquerque Ordinance states children ten years or less cannot be left home alone. However, regardless of age, make sure your child is mature enough and can comprehend rules to your satisfaction before leaving them alone.

Children younger than 6 years of age must be accompanied by an adult at all times in the following places:
- Grassy areas and playground/basketball court (during open hours)
- Laundry rooms
- Community gardens
- All SFH programs not specifically designed for youth
- Parking lots
The curfew for children at Student Family Housing is 9:00 pm. They are expected to be inside their apartments after this hour. Children are permitted to be walking with their parents after the curfew hour.

In consideration of others, we ask parents to discourage swearing, profane language, or threatening actions by their children in public areas (playground, basketball court, Community Center, quad courtyards).

You should not discipline another person’s child(ren). If you notice misbehavior, please call or contact the parent, or an SFH staff member to advise them of the problem. You may take actions necessary for the immediate safety of the child(ren).

If children are found by staff to be unsupervised, every effort will be made to escort the child back to their parents. If parents are not available, staff will try to contact them. If they can’t be reached, UNMPD and CYFD may be contacted. Additionally, under state law, anyone who knows or reasonable suspects that a child is being abused or neglected, must report that immediately to local law enforcement for investigation and follow-up action, including possible removal of the child from the home and further court determinations. A child is neglected if left without proper adult care and supervision necessary for the child’s well-being. A “child” is a person under 18 years of age.

Community Sports and Game
You may not participate in any kind of sport, horseplay, or physically active game inside the residence hall/apartment, including, but not limited to, bouncing balls, roller-blading, skateboarding/longboarding, riding scooters, bowling, wrestling, playing Frisbee or tag, and using squirt guns or having water fights.

Disruptive Behavior
You are expected to act in a manner that will not disturb the academic pursuits, sleep or infringe upon the privacy rights, privileges, security, safety, health, or wellness of other persons. Any activity that has a negative impact on the reasonable use of residence halls/apartments by others is not permitted.

Gambling
Gambling is not permitted on the University of New Mexico campus. Gambling includes, but is not limited to, NCAA College Basketball Tournaments as well as other sporting events, playing cards for money, etc.

Guests
A guest is any person who is not assigned to the respective room and evidences behavior associated with occupancy such as sleeping overnight, storing clothing or personal items in the room, or spending long periods of time in the room which could cause inconvenience to a roommate. Residents who exceed/abuse the guest policy may be charged a per night fee based on the rates for conference housing. Residents are responsible for the behavior of their guests at all times, and are expected to escort guests at all times. Guests must follow all residence hall policies and expectations.

At Main Campus & LoboRainforest: Guests should use the bathroom which matches their expressed gender identity or guest bathrooms; guests are always welcome to use any bathrooms designated as gender neutral
- Overnight guests are welcome under the following guidelines:
  - Roommate(s) agrees to guest staying in the room/apartment
  - Limited in number to one person over the occupancy of the room
  - Limited to a stay of three days and nights, not to exceed nine nights during a term.
  - Guests are not permitted overnight during the first or last two weeks of the semester.

At SFH: Guests are limited to a stay of one week, not to exceed three weeks in a term. Additionally, any guests who will be staying longer than a week must register and pay the appropriate rates as Long Term Guests with the SFH Office. Guests must park in the visitor lot and obtain a permit if staying for more than 24 hours from the SFH Office.

Harassment
Harassment, sexual or otherwise, is prohibited. Harassment is any
behavior, physical, verbal, written, or by the use of technology that victimizes an individual with repeated unwanted contact, including, but not limited to, stalking, slander, libel, etc.

Sexual harassment is defined as unwelcome sexual advance, including requests for sexual favors and other verbal or physical conduct of a sexual nature. Please see UNM Administrative Policy 2740 (at policy.unm.edu) for more information. Instances of sexual harassment occurring within the residence halls will be immediately referred to the Office of Equal Opportunity for review and possible investigation.

**Hazing**

Hazing is an abusive, often humiliating form of initiation into or affiliation with a group, which includes willful action taken or situation created which recklessly or intentionally endangers the mental or physical health of another. See the UNM Pathfinder for the full UNM policy on Hazing. Any instance of hazing will be immediately reported to the UNM Dean of Students Office for review under the Student Code of Conduct.

**Pranks**

Pranks, which are defined as any activity done in order to make a person/persons look foolish and to amuse others, are not allowed in the residence halls as they may cause physical and/or psychological harm to others or physical space of the community.

**Posting Materials/Solicitations**

**BULLETIN BOARDS:** Staff members maintain bulletin boards within each of the living areas, with information about upcoming events, important notices, etc. Organizations may request permission to have information posted by contacting the SRC Customer Service Desk or the SFH Office.

**MAILBOXES:** Residence Hall student governments may post all appropriate student government announcements, including candidate endorsements for student offices, in residence hall mailboxes. Non-residence hall groups may only access residence hall mailboxes through the Campus Mail System or U.S. Postal Services, and all items must be individually addressed.

**LIVING AREAS:** Door-to-door solicitation (commercial, political, fundraising, or otherwise) is prohibited in the hall living units. If you encounter anyone doing so, please contact a member of the residence hall staff immediately.

**LOBBY AREAS:** Commercial solicitation, political campaign activities, etc. is only permitted in the SRC Commons Building with pre-approval and prearrangements. Activities must be scheduled through the SRC front desk and are limited to once a semester. Please report any unauthorized activity to a residence hall/apartment staff member or the SRC Desk.

**Quiet Hours/Noise**

Noise that is disruptive to others is prohibited both inside and outside of residence halls/apartments, including the courtyard and surrounding areas. Courtesy and consideration for others is expected at all times. As a resident, you are responsible for maintaining good study conditions within your community. You are expected to respectfully approach others with requests for noise reduction and respond positively to requests to reduce noise.

- Quiet Hours (the absence of loud noise or distractions) are in effect Sunday–Thursday, 10 pm-9 am; Friday and Saturday, 12 am-10 am on Main Campus. At LoboRainforest and Student Family Housing quiet hours are 9PM–8AM everyday.
- Courtesy Hours are in effect 24-hours a day. Any loud noise or distraction that attracts the attention of other students and/or staff members is not compatible with an educational environment.
- Final Exam Quiet Hours are in effect 24-hours a day beginning the Thursday prior to finals week and ending the Saturday after finals have completed.

Contacting a staff member to ask someone to keep the noise level down should occur only after you have asked the person at least two times to decrease the noise level and they have ignored your request. At that time, the staff will contact the person.

**Roommate Agreement**
RLSH highly recommends that you complete a Roommate Agreement form with everyone who shares your living space. The agreement outlines specific understandings for living together, and identifies issues that often arise among roommates. The agreement can be renegotiated throughout the year, but once completed acts as an additional set of policies for your living space.

Each student possesses the following rights as a roommate, and each individual should work at honoring these rights:
• Read, study, and sleep in the room with as little disturbance as possible.
• Have personal belongings which are used by no one else.
• Live in a clean and orderly room.
• Enter the room whenever one wants unless other provisions are agreed upon by both parties.
• Have guests provided they respect the rights of the roommate and follow the Guest Policy.
• Be free of physical or emotional harassment.
• Speak openly.
• Be treated considerately and thoughtfully.
• Address problems and concerns in a mature manner.

Here are three suggestions to follow to be a considerate roommate:
• When you and your roommate experience problems, talk about the issues instead of letting them frustrate you.
• Consider what types of personal habits you have which may be irritating to others.
• Ask your roommate to tell you when you have said/done something that caused irritation.

3. SAFETY & FACILITY UPKEEP
Damage to your room that occurs as a result of any of the following may subject you to fines/fees.

Air Conditioners/Heating Units
Personal air conditioners are not allowed in student rooms. Heating units with exposed elements are prohibited.

Alterations & Decorations
All alterations to your assigned living space are prohibited. Additional locks, fixtures, electrical wiring, outside antennas for radio or television, or window guards other than those installed by RLSH will not be permitted. Additional shelving or furniture should be freestanding and not attach to the walls or impede egress of the space.

You are not permitted to paint or wallpaper any part of your assigned space.

Items which cause permanent damage or are a safety hazard are prohibited. Some of these items include: nails, thumbtacks, pins, crepe paper, acetate, and adhesives (such as gum labels, contact paper, duct tape, hot glue, or rubber cement). Blue masking tape, or similar non-marking tape, may be used with care. Room decorations are to be in the interior of your room and may not extend into or be visible from public spaces, including the hallway side of your room door and your window(s). Decorations cannot impede entrance/exit into your room and/or interfere with plumbing, electric, or fire safety systems in your room.

Holiday lights may be used for decorative purposes only in your room. Lights are limited to the indoor style and a maximum two strands of lights in any one room. Use surge protectors (do not use extension cords), and turn lights off when you leave.

Animals/Pets
No animals are permitted within RLSH space, except fish, in a single 10 gallon or smaller tank. Residents who bring unapproved pets into the residence halls may be subject to a $200 cleaning fee. In addition to the fee, any resident with an unapproved animal will be required to remove it within 24 hours.

In the event that a service or emotional support animal is applicable, appropriate documentation must be submitted to the Accessibility Resource Center (ARC) and Residence Life and Student Housing approved prior to room occupancy. Failure to have the documentation finalized with ARC and RLSH prior to the animals’ presence in your living space will result in the animal being viewed and treated as a violation of
policy.

Students with service or approved emotional support animals are expected to treat the animal with respect and reports by roommates or others of animal neglect or abuse may be grounds for a removal of permission for the animal’s presence.

Residents residing in the Pet Permitted Housing areas are allowed to have pets, but must abide by all additional policies outlined for those living areas in the Supplemental Pet Agreement.

**Balconies**

Use of balconies in every hall except SRC and SFH is strictly prohibited. Balconies are considered an extension of your living space, so you are responsible for the activity on your balcony. You may not hang/display any banners from your balcony.

**Bicycles**

Bicycles should be parked/stored outside the residence hall/apartment at all times. You are permitted to store a bicycle in your room only if your bike does not interfere with entering/exiting your room. Use the bike racks provided for securing your bike; bikes attached to any ramps/handrails will be cut off and removed.

At Student Family Housing, bicycle parking can be found at various points in each courtyard area, but residents are encouraged to utilize the bicycle corrals located adjacent to each cluster of apartments. Keys can be checked out from the SFH Office.

**Cleanliness**

Your assigned space is to be kept clean and orderly. You are responsible for cleaning your assigned room/apartment and appropriately disposing of trash. Clean is defined as free from dirt, stains, odors, contaminants, impurities, blood borne pathogens, food waste, and anything else which may present a safety hazard. Cleanliness will be assessed during the Safety & Maintenance Checks conducted by the Resident Advisors in the fall and spring semesters. Spaces which are not at an acceptable level of cleanliness may be required to clean them to a standard accepted by RLSH. If a living space is deemed to have repetitive issues in regards to cleanliness, charges may be assessed through the semester and increase with each additional issue.

Additionally, residents must fully comply with any cleaning requests coming from RLSH staff needed to complete any routine or emergency maintenance or resident initiated work requests.

**Computing**

You are expected to comply with all University and RLSH standards and guidelines governing the use of computers and networks at the University of New Mexico, including, but not limited to, Network Acceptable Use Policies. You are not to operate personal wireless routers on the University Network and tamper or interfere with the functioning of university wireless access points.

Crypto-currency mining is not permitted within the residence halls as they cause a considerable drain on network resources and use excessive amounts of electricity.

**Cooking & Appliances**

**IN NON-APARTMENT HALLS:** You may bring and use a microwave (800 watts or less), hot pot, coffee maker, rice cooker, and hot air popcorn popper. Appliances that have a visible heating element or use hot oil (e.g. toasters, toaster ovens, George Foreman grills) are not allowed. Possession of unauthorized cooking or heating appliances may result in the assessment of a $50 fine for each occasion.

**IN APARTMENT HALLS:** Small kitchen appliances are approved for use in the apartment style residence halls, within the designated kitchen area of the apartment. Large appliances are not permitted. Residents are not to operate washing machines, dishwashers, dryers, freezers, electric heaters, electric air-conditioners, and other heavy duty appliances. No electrical circuits, gas outlets, or facet adapters may be added or installed.

**Damages**

Residents are financially responsible for any University property missing from their room, or damaged beyond normal wear and use. All
residents may also collectively share financial responsibility for damage that occurs in the common areas or the dining hall. RLSH has a strong preference to hold individuals responsible for the damages they cause (intentionally or by accident), but when this is not possible, all residents of the hall/apartment or a part of the hall/apartment may be billed.

RLSH will charge for damages based on the following:
- Damages discovered at/during/immediately following check-out will be charged according to the corresponding Damage Charge Schedule, which can be found on-line at housing.unm.edu.
- First time accidental damages occurring during the contract year as a result of resident action (cooking fire, flushing items, etc.) will be charged to the student at the time of the damage at a rate of 15% of the total cost of the repair with a minimum charge of $300 and a maximum charge of $750.
- Multiple accidental or intentional damages occurring during the contract year may will be charged to the resident at the full cost of the repair.

Elevators
Use elevators only for the intended purpose of traveling from one floor to another. Residents are not allowed outside (above or below) the elevator cab under any circumstances.

Fire Safety
We expect you to practice effective fire safety at all times by exercising prudent judgment and following fire safety guidelines established or revised for residence halls/apartments. We expect you to not perform or condone anything that damages, misuses, or interferes with the ready and proper operation of any fire safety equipment or signs. This includes, but is not limited to, sprinklers, detectors, extinguishers, horns, pull stations, and exit signs. Do not prop open or otherwise interfere with the proper operation of intended smoke and heat barrier purposes of fire doors (typically corridor and stairwell doors), and do not block or otherwise obstruct hallways or building exits. Do not activate a false fire alarm or make any false report that may cause building evacuation (e.g., bomb threat).

Understand that if you do, or in any way participate in such an action, you may be subject to a monetary fine (up to $500) and the cancellation of your housing contract, as well as possible suspension or expulsion from the University and criminal prosecution.

Residents should also follow all of the following fire safety regulations:
- In the case of alarm, evacuate any/all buildings according to established procedures.
- Do not remove or alter electrical fixtures or hardware.
- Use UL approved electric cords and products and follow manufacturer directions.
- Ensure that equipment or electrical appliances used in the building are in excellent working condition at all times.
- Do not overload any electrical outlets. Only power strips with surge protective/circuit breakers are permitted.
- Do not decorate ceilings with hangings or other flammable items (including holiday decorations). Do not affix anything to or on any lamp or light fixture.
- Do not hang any objects in front of your closet.
- Do not burn or possess candles, incense, kerosene lamps, lighter fluid, propane, or charcoal.
- Do not store or possess materials hazardous to the health and safety of residents in residence halls including, but not limited to: chemicals, gasoline, kerosene, charcoal, lighter fluid, and containers which have been used for storing gasoline.
- Halogen lamps are strictly prohibited in the residence halls and apartments as they are a fire hazard.

Furniture
Residence hall/apartment furniture should only be used for its intended purpose. Room furnishings shall not be removed or stored. Water beds, extra beds, free standing elevated beds, or lofting beds and other construction, including attaching shelves to walls, are not permitted in your room.

Public area or lounge furnishings shall not be moved from their original locations, and should not be found in resident rooms.

Keys & Perimeter Access
Keys and perimeter access via your LoboCard are your responsibility
and should not be given to others to use. You will be issued a key to your assigned room and will use your UNM LoboCard to access the perimeter door of your building. Residents may not duplicate University keys. You are required to return all keys issued when you check-out.

**Broken Keys:** If you have a broken key, notify your area desk immediately. You will be issued a replacement at no charge unless it is determined that you intentionally mishandled your key.

**Locked out of your room/hall:** If you are locked out of your hall or room, contact your area desk or the RA on Duty. The area desk will allow you to check out a spare key for your room. After your second lockout, you will be charged a $10 fee per occurrence. You may only use the lockout keys for ten minutes. You must provide picture identification confirming your identity so staff members may verify that you are a resident of the building. If the area desk is closed, contact the RA on Duty for the building you live in.

**Lost keys:** When a room key is lost or stolen, the lock(s) will be changed and the student that is responsible for the loss will be charged for the lock change and the new keys. The student is given 72 hours to recover the key (except at the end of a term) prior to the initiation of the lock change. If the keys cannot be recovered within 72 hours, a lock change will be processed immediately.

**Lost ID:** If you lose your LoboCard, you will lose perimeter access. You will need to contact your area desk or the RA on-duty to get a temporary fob and go to the LoboCard office for a permanent replacement of your LoboCard. There will be a charge for permanent replacements.

**Lobbies and Recreation Areas**
Your residence hall has common areas that you and your guests may use. Appropriate conduct is expected of you and your guests. Please pick up any trash and return any furniture to its proper location. Sleeping is prohibited in lobby and recreation areas.

**Non-Motorized and Small Motorized Vehicles**
You may not operate, park, or store small motorized vehicles in your room or within your hall/apartment. Any motorized machine 50cc or above must have a UNM Parking permit and be parked in motorcycle parking spaces. Small motorized vehicles may only be parked as designated by UNM Parking and Transportation Services. Mopeds, scooters, and motorized bicycles may only be parked in designated bicycle rack areas.

Roller skating, roller blading, skateboarding, or riding a scooter is prohibited inside any University building. You must be in control at all times of your bicycles, skates, skateboards, and scooters. You must not endanger the safety of yourself or others. You may not disrupt business, interfere with pedestrian traffic, or damage physical structures when involved in these activities. All wheels should remain on the ground surface at all times when used for transportation.

**Motorized Vehicles At SFH**
Auto repair in parking lots is not permitted except for emergency situations. Abandoned vehicles and vehicles that are not in working order are not allowed.

Vehicles that are improperly parked, parked without proper identification in lots other that the visitor parking area, or inoperable for longer than 25 days may be towed from Student Family Housing. The vehicle owner will be charged for the towing and storage costs.

Ten (10) mph speed limits are in effect in the parking areas and streets of SFH. Because of the number of small children in the community, drivers should always drive with utmost caution in the area. All traffic regulations and signs, including one-way, stop signs, red curbs, and handicap spaces must be observed. Residents and visitors are prohibited from exiting the complex through the entrance gate and from entering the complex through the exit gate.
Plants/Greenery
Within each hall there may be plants or greenery provided as interior decorations in public areas. Do not remove them from their assigned location. Live trees are not permitted in your room and should not be placed on RLSH premises by residents.

Restroom Facilities
Each facility with common restrooms will be closed for a small portion of the day for cleaning. When designated for a specific gender, restroom facilities should only be used by persons who identify with that gender. Wherever possible, restrooms have been designated as gender neutral and are available for use by all members/guests of the residential community. RLSH supports all students’ individual gender identity and believes students should use the restroom which most accurately represents their expressed gender identity.

Smoking
UNM residence halls and campus are smoke-free environments. Smoking is permitted ONLY in University designated smoking areas. The use of electronic or simulated smoking materials (cigarettes, pipes, cigars, and hookahs) is also prohibited. Smoking areas are located between Coronado and RVA, on the west side of DeVargas Hall, and one location each at Student Family Housing and LoboRainforest.

Trash Disposal
You are responsible for the proper disposal of your trash in the designated trash area for your living area. Trash must not be placed in the hallway or common areas. Residents may be fined $25 per item as well as any associated labor costs for cleanup of any accumulation of trash in individual or common areas, including trash cans in exterior commons spaces.

Unauthorized Access
You are prohibited from entering restricted access areas that include, but are not limited to, front desks, roofs of residence halls/apartments, balconies, elevator shafts, tunnels, and mechanical and custodial rooms. Barring an emergency, you may only use designated entrances and exits for access to your building. Additionally, you are only considered a resident of the building/community you live in, so you should not enter other residence halls, unless you are a guest a resident in that building/community.

Windows/Screens
You should not remove/damage any part of your window(s) or screen(s), nor should you hang or attach any items to the interior or exterior of your window(s). Additionally, nothing may be displayed between the blinds/curtains and window; all personal affects should remain on the interior portion of the blinds/curtains. For your own safety, and the safety of others, you cannot lean out of windows and/or balconies and/or overhead walkways or drop, suspend, throw, or shoot anything from or through windows or screens. There is a fee associated with re-hanging any windows damaged by residents.

RIGHT TO PRIVACY
The residence hall staff respects students’ rights to privacy in the residence halls, but authorized University and Residence Life & Student Housing personnel reserves the right to enter and inspect resident rooms at any time to verify inventory records or occupancy; to perform maintenance; to enforce safety, health, and University Student Code of Conduct or Community Standards; or during an emergency without any prior notification.

Inspection and Entry
During the year, periodic inspections will be made for health and safety, semester closing preparation, and maintenance. It is expected that you will comply with residence hall staff and other University officials when an inspection is requested. Whenever possible, room inspections will be conducted in the presence of you and/or your roommate and with prior notice. Staff will enter your room if your alarm clock or other electronics are continuously making noise and if there is no answer at the door. Staff will leave a note when exiting the room.

For continually occupied spaces there is an annual inspection performed by Residence Life and Student Housing employees in June or July. The resident may be liable for damages depending on the inspection.
**Searches**
The University reserves the right to enter and/or search rooms for the purposes of fire protection, sanitation, safety, and enforcement of policy. To preserve the student’s privacy, searches are only conducted on reasonable grounds. Spaces are only searched by a member of the professional staff, except when there is imminent danger to human safety. Spaces which are searched without the presence of the occupant will have at least two staff persons present. All residents will be notified the purpose of a search. Depending on the cause for the search, officers with UNM Police Department may be present.

**Maintenance Room Entry**
Residence Life and Student Housing maintenance personnel may enter your assigned space while you are gone to complete requested repairs or conduct routine maintenance of the building.

**Surveys, Studies, and Questionnaires**
In order to protect students’ right to privacy, only surveys, studies, or questionnaires associated with residence hall government or those approved by the Director of Residence Life and Student Housing or designee will be allowed.

**WELFARE CHECKS**
A wellness/welfare check means that a request has been made to inquire about your wellbeing and a member of the Residence Life staff will come to your room and try to contact you regarding the request. This can include keying into your room to determine if you are present or not. A member of the Residence Life staff may also attempt to contact you via phone/email. We will encourage you to contact the person who placed the wellness/welfare check request, because due to federal regulations (FERPA), unless you have a Student Information Proxy Release Form, which indicates the release of both housing and disciplinary information, on file with the Office of the Registrar, we are not able to share the results of the wellness/welfare check with the person who made the request.

**MISSING RESIDENTS**
A resident may be considered a “missing person” if the absence is suspiciously different to their usual pattern of behavior and/or unusual circumstances may have caused the absence.

Each student living in University owned and operated housing has the option to register a confidential contact person when they apply for or renew their housing to be notified in the event that the student is determined to be missing. Any missing person under the age of 18 that are not emancipated will have their parent or guardian notified as well. Only authorized campus officials and law enforcement persons in furtherance of a missing person investigation may have access to this information.

In the event of a missing student, Residence Life and Student Housing will (1) conduct a wellness check of the resident’s room, (2) attempt to contact the student via cell phone, email or other means, and (3) identify other students who may be aware of the missing person’s whereabouts (i.e. roommate, friends, classmates, other residents, etc). If Residence Life and Student Housing is unable to make contact with the potential missing student they will contact University of New Mexico Police Department, the Dean of Students, and the AVP for Student Life within a reasonable time frame not to exceed 12 hours from notification. Residence Life and Student Housing officials will assist UNMPD and the University in the investigation of any missing student.

After investigating the missing person report, should UNMPD determine that the student is missing and has been missing for more than 24 hours, UNMPD will enter the missing student into NCIC. Officers will also notify any other law enforcement agencies, as appropriate, for purposes of coordinating the investigation and continuing efforts to locate the student. Additionally, UNMPD will fill out a Missing Person’s Clearing House form and fax it to DPS/Missing Person’s Information Clearing house.

UNMPD will also notify UNM Residence Life and Student Housing and the Dean of Students Office of their finding. The student’s confidential contact will be notified no later than 24 hours after the student is determined to be missing by the Dean of Students, Director of Residence Life and Student Housing, or AVP of Student Life.
RESIDENCE HALL CONDUCT PROCESS

CONDUCT PROCESS PHILOSOPHY
The Residence Life and Student Housing conduct system is educational in nature. Its primary purpose is to help residents learn from choices they make and be positive contributors to the residence hall/apartment community.

Consequences, or sanctions, assigned when a student is found responsible for violating a Community Standard, contractual obligation, policy, or law are intended to help a resident learn from the experience and make better choices as a member of the community. Our conduct system is progressive in nature and each subsequent violation/sanction builds upon the last.

Residence hall policies are reasonable and predicated on the principle that residence hall students are mature individuals balanced with the desire to protect the well-being of all residents. Residents are expected to maintain standards of personal conduct that are consonant with the educational and personal rights, privileges, and property of other persons. Additionally, residents must observe University regulations governing student conduct as well as national, state, and local laws.

CONDUCT ACTION PROCEDURES
Residents are documented for violating the Community Standards via an Incident Report. Official Incident Reports are filled out by student staff members, but any student may report issues within their community to a member of the Residence Life staff. These reports are submitted to the Coordinator of the building where the violation occurred. Students who are documented will be contacted via UNM e-mail by their Coordinator to schedule a conduct hearing regarding their involvement in the violation. These hearings will review the documented violation and expectations regarding future behavior. Residents will be given the chance to share their interpretation of the events which led to the violation, and provide any evidence or testimony to support their viewpoint.

Based on the preponderance of evidence principle outlined earlier, the Coordinator will determine the level of involvement and responsibility of the resident. Residents involved in violations of Community Standards may receive any or multiple of the following sanctions:

1. Referred to the Dean of Students Office.
2. Placed on a level of residence hall probation with additional stipulations, including but not limited to:
   a. Required to attend behavioral modification programs or workshops.
   b. Required to complete community service.
   c. Required to complete an educational sanction appropriate to the violation.
   d. Required to make monetary restitution for damages or expenses incurred.
   e. Subjected to pay fines.
3. In accordance with the University Student Records Policy, parents or guardians may, when deemed appropriate, be contacted concerning student violations of campus alcohol or drug policies.
4. Restricted from entry into specific residence halls, dining hall, commons building, etc.
5. Reassigned to another residence room/hall.
6. Suspended from living in the housing system.
7. Inability to renew a housing contract for future terms.
8. Cancellation of the residence hall contract; Students may be charged up to the full cost of their residence hall space when the contract is canceled for disciplinary reasons.

Emergency Interim Suspension from Residence Life & Student Housing
Emergency Interim Suspension from a residence hall/apartment may be imposed by the Director of Residence Life and Student Housing or designee if there is reasonable cause to believe that your continued presence may be an immediate threat to the educational environment, as well as to the physical or emotional health, safety, or well-being to yourself, other residents, staff, and/or University property.

Should you be placed on a status of Emergency Interim Suspension, you
have the right to have a meeting held with the Director, or designee, within 72 hours of the notice of interim suspension. This meeting will only be in regards to the continuation of the interim suspension, and you will still be required to go through the Residence Hall Conduct Process to address the Community Standards violation.

**Compliance**

You are expected to comply with the policies outlined in this document as well as the Student Code of Conduct, additionally you should respond to reasonable requests of any Residence Life and Student Housing staff member performing job duties, including presenting proper identification such as a LoboCard or student ID number upon request. You are expected to comply with conduct process sanctions mandated to you or you may be referred to the Dean of Students Office or receive further sanctioning.

**Appeal Process**

The decision of the Coordinator can be appealed in cases only where sanctions which include relocation or contract termination are assigned. Residents must submit their appeal request in writing, via a form outlined in the notice of sanctioning, no later than three business days after the decision has been rendered. To submit an appeal, contact the RLSH Manager’s suite, at 505.277.2383, SRC Commons, Suite 212.

Appeals are available if there is new information regarding the situation, if the sanctions are perceived as grossly disproportionate for the incident, if the decision was not in accordance with the evidence presented, or if there was a significant procedural error which impacted the outcome.

The Director, or designee, may schedule a meeting with the appeal resident to discuss the reason, but appealing parties are encouraged to provide sufficient detail in their appeal request, because meetings are not guaranteed for an appeal. Appeal decisions regarding sanctions for Residence Hall Community Standards by the Director, or designee, are final.

**STUDENT RIGHTS AND RESPONSIBILITIES**

In addition to the student rights outlined in the UNM Student Grievance Procedure, residents have the following rights and responsibilities within the Residence Hall Conduct Process:

- Notification and explanation of decisions and sanctions as well as consequences for not completing sanctions as directed.
- The option of appealing a conduct decision, as outlined in the Appeal Process.
- Ignorance of Community Standards, Housing License Agreement obligations, policies, procedures, Wing/Community Rules, and/or the law is not a valid defense in conduct proceedings.
- Dishonesty during conduct proceedings violates Community Standards. Violators are subject to further action, which may include, but not be limited to, modifying the charge against the accused during the proceedings and considering this dishonesty when making decisions and issuing sanctions.
- Participants with disabilities are accorded reasonable accommodation in order that they may participate fully in the conduct process. It is important to note, however, that a disability in itself is not a valid defense in conduct proceedings. Residents are held accountable for their actions regardless of their abilities.
- Results of Residence Life and Student Housing conduct proceedings are considered confidential and are only shared with University officials and others on a legitimate need to know basis. Conduct issues are reviewed with parents and/or others only when the resident gives written permission to do so with the exception of residents found responsible for violating alcohol or drugs as permitted by federal law.
- Results of Residence Life and Student Housing proceedings will be provided in response to a properly executed subpoena.

**Presence During a Violation**

If you are present in a room, hall, or at a RLSH function and realize a violation of Community Standards or University policy is occurring, you
have the responsibility to: 1) Leave the room and/or area immediately; and 2) Report such violation(s) to hall staff immediately. Not following the above action(s) will find you responsible for violating the policies you are witnessing.

SAFETY TIPS
The Student Residence Center (SRC) Help Desk is open 24 hours a day to help residents with urgent and emergency situations. The SRC Desk has access to residence hall emergency systems and can contact Resident Advisor Staff, Residence Hall Student Safety and Security Staff and University Police as needed. Actively promoting safety and security within this community at all times is everyone’s responsibility. We encourage you to adhere to the following:

• Do not prop open or otherwise disable the latching/locking mechanism of any exterior, corridor, stairwell, or interior door (excluding room doors) in your building.
• Un-prop and close any door that you find propped open or otherwise unsecured and inform a staff member.
• Do not permit access to the residence hall/apartment by non-residents. Do not enter or exit the residence halls through designated exit doors or fire doors unless there is an emergency.
• When leaving the hall at night, tell your roommate(s) when you plan to return.
• After dark, students should not walk alone. If possible, walk with a friend or roommate. Residents can also contact UNMPD for an escort by calling 505.277.2241; this phone number can also be found on the back of your student ID.
• Never leave goods or belongings unattended.
• Solicitors or suspicious persons are to be reported to UNMPD and a staff member immediately.
• Always carry your keys and LoboCard.
• Keep your room/apartment door closed and locked when not in the room and understand that you can enhance your personal safety and that of your roommate(s) by keeping the door closed and locked at all times.
• Immediately inform a staff member about any unsafe condition or behavior that threatens the safety or security of your community.

LOBOGUARDIAN APP
Recognizing the safety needs of its campus community, the University of New Mexico has taken another step in its goal of enhancing safety for all its faculty, staff and students. UNM has added LoboGuardian, the latest technology-driven app designed to increase user safety through real-time interactive features that create a virtual safety network of friends and family.

Available for iOS and Android devices and provided as a free download, LoboGuardian allows users to designate “Guardians” to act as a virtual safety escorts in timed Safety Sessions. With LoboGuardian, users are also able to anonymously report a tip to the UNM Police Department, call the UNM Police Department, or call 911.

LoboGuardian is a joint effort between the Dean of Students, Campus Safety, the UNM Police Department and Information Technologies. The LoboGuardian mobile phone safety app is first-generation technology and your feedback is valuable as UNM works to improve these and other campus safety services. To provide feedback, send comments and suggestions about LoboGuardian to the Dean of Students at doso@unm.edu.

For more information, visit loboguardian.unm.edu

AVOIDING THEFT
To guard against theft of your property, the University recommends that the following safeguards be observed:

• Record all serial numbers and makes of electronic items such as laptops, iPods, MP3 players, etc.
• Consider leaving family heirlooms or other valuable items at home.
• Keep money and valuables in a secure place. Do not keep excessive amounts of cash in your room.
• Record the numbers of all credit cards and checking accounts. Record the addresses of these companies and banks so that they can be notified if cards are lost or stolen. Keep this information in a secure place.
• Report the presence of any strangers in nonpublic areas of the halls to the UNMPD and a staff member.
• Keep your room locked at all times, especially at night when you are sleeping.
• In the event you are a victim of a theft, call UNMPD immediately and notify a staff member.
• Register your bike with UNMPD at the beginning of the year or as soon as possible after bringing it to campus.

FIRE SAFETY
We expect you to practice effective fire safety at all times by exercising prudent judgment and following fire safety guidelines established or revised for the residence halls. You must evacuate the residence hall/apartment immediately when a building alarm sounds and must follow established evacuation procedures.

• Established evacuation procedures indicate that all residents and guests are required to:
  • Follow all instructions given by residence life staff, University Police, or emergency personnel.
  • Close all room windows and open draperies.
  • Grab a blanket or towel to prevent smoke inhalation.
  • Leave ceiling lights in room on.
  • Leave as quickly as possible and proceed to nearest designated exit.
  • Lock room door and take room key with you.
  • Use emergency exits only if it is truly an emergency or fire.
  • Exit the building.
  • Once outside of the building, move to a designated evacuation point and stay there until given authorization by a residence hall staff member.
  • Stay clear of fire lanes and hydrants.

Residence Life and Student Housing conducts approximately four fire drills throughout the year, but it is imperative for your safety that you evacuate the building any time an alarm sounds.

Fire Alarm Systems
MAIN CAMPUS & LOBORAINFOREST

Fire alarms for each residence hall can be activated by using the pull station located in the hallways. You can also report a fire or emergency by contacting the 24-hour SRC Help Desk or UNMPD. Students living in the SRC apartments can also use the call box located by the front door of their apartment to alert staff of a fire.

STUDENT FAMILY HOUSING
At Student Family Housing fire alarms for each apartment can be activated by using the pull station located in the breezeways and laundry rooms. You can also report a fire or emergency by contacting the SFH Office during business hours, the CRA on Duty and UNMPD.

Fire Extinguishers/Hoses
Fire extinguishers are located at specific locations in each living area. Residents are requested to become familiar with the location of this equipment. Residents are reminded that the best approach to a fire emergency is to report the fire rather than attempting to fight the fire themselves.

Students living in the apartment style residence halls have an extinguisher available within each apartment. In order to maintain the working order of the extinguishers, the University conducts monthly checks. These checks are not optional and will occur regardless of your presence in your apartment.

ILLNESS AND INJURY
If you are ill or injured, you should seek assistance from either campus health or a residence hall staff member (RA or Hall Coordinator). Staff members can assist and direct you to medical attention, or you may be directed to stay in your room. Staff members are not permitted to transport students to a medical facility. 911 must be called, or a friend must transport you. If an illness is prolonged, you can contact the Dean of Student’s office regarding class absences.

NATURAL DISASTERS
In the unlikely case of a natural disaster, you are advised to stay indoors. While inside, take cover under sturdy furniture or brace yourself in a doorway. Stay near the center of the building, away from glass,
windows, and doors. Elevators are not to be used. Please follow staff member instructions.

**POWER OUTAGE**
If a power outage should occur, you are advised to stay calm and in your room. Open flame candles are not allowed. Residence Hall Staff members will make frequent rounds until the power returns. There is emergency lighting in the hallways.

**RESOURCES**

**MENTAL HEALTH**
Residence Life and Student Housing is committed to the mental health and wellness of all students living on campus. There are several services available to you through Student Health and Counseling (SHAC) if you are struggling with any number of mental or emotional issues.

For more information on the services that SHAC provides as well as many other mental health resources, please visit shac.unm.edu SHAC provides some limited after hours crisis response for mental health, to access these services, call 505.277.3136 and select Option # 3.

In addition to SHAC, there is the Agora Crisis Line, an anonymous service freely available to students. Agora provides both a listening ear as well as referral information for students in crisis. You can call Agora 24-hours a day at 505.277.3013

As a reminder to all students, anonymous social media outlets do not activate University services for assistance. If you are experiencing difficulty and need to talk to someone, we will not be able to respond to posts made on social media platforms, so please seek out your RA who has received training and referral resources to get connected with University services.

Students living with Residence Life and Student Housing who display behaviors which cause significant concern to members of RLSH staff may be referred to the campus CARE Team. The CARE Team is comprised of a University staff who work together to provide a coordinated response to students who are experiencing distress on campus.

**SEXUAL VIOLENCE**
Title IX of the Education Amendments of 1972 (Title IX) is a federal civil rights law that prohibits discrimination on the basis of sex (including gender, sex stereotyping, and gender identity) in federally funded education programs and activities. Sexual harassment, which includes acts of sexual violence and sexual misconduct, is a form of sex discrimination prohibited by Title IX. UNM’s policy on Sexual Violence and Sexual Misconduct applies to any allegation of sexual violence or misconduct made by or against a student, or a UNM staff or faculty member, regardless of where the alleged sexual violence or misconduct occurred. If the circumstances giving rise to the complaint are related to UNM’s programs or activities, the policy may apply regardless of the affiliation of the parties.

The University encourages individuals who have experienced sexual violence or misconduct to get the support they need and the University can respond appropriately. UNM recognizes that such individuals may want to speak with someone on campus before deciding whether to report the incident to the police or the Office of Equal Opportunity for investigation. Individuals who experience sexual violence or misconduct are strongly encouraged to understand the various reporting requirements of University entities in order to make the best decision for their circumstance. Whether or not anonymity is requested, information about sexual violence and misconduct will be treated confidentially and only be shared on a need-to-know basis, and as authorized under University policy and applicable federal and state law.

If you are looking for a place where you can share what has happened without any requirement for action, please visit the LoboRespect Advocacy Center, Student Health and Counseling, the Women’s Resource Center, or the LGBTQ Resource Center; all persons of all gender identities are welcome at any of these locations.
You can also report instances of sexual violence through the following mechanisms:

- Call the police at 505.277.2241 or 911 in order to file an official police report for immediate investigation or for possible elective future action.
- Contact your Resident Advisor or Building Coordinator.
- Call the Office of Equal Opportunity at 505.277.5251.
- Contact the Dean of Student’s Office at 505.277.3361.
- The following locations are not part of campus, and will not make any report to any member of the campus community, but are here to assist you if you are the victim of sexual/gendered violence.
  - Go to a hospital emergency room (for instances of violence and assault)
  - Call the Albuquerque Rape Crisis Center at (505) 266-7711.
  - Contact SANE, Sexual Assault Nurse Examiners, at (505) 883-8720.

For complete information about UNM’s policy and response to instances of Sexual Violence, please visit policy.unm.edu/university-policies/2000/2740.html.

For more information about UNM’s actions in effort to prevent sexual misconduct on campus, as well as creating a respectful campus for all students, visit loborespect.unm.edu.
